Hey All,

Lots of stuff,

State Championships this weekend in Ft Collins. Torre Jones qualified in 4 events. She will be swimming the afternoon sessions at 4:30 all three days and would appreciate anyone that would like to go up and cheer her on.

End of season meet accounting has been done. If you don't receive anything from Jay, you don't have an outstanding balance. We did pretty good this season on staying current with our balances, Thank you

The Legend of the Sarks Bucket (Please pass this info on to your swimmers): The Sarks Bucket is something we started as an experiment. Jay noticed in swim meets that heat winners generally improved their times, while those in back did not. So we tried to reward swimmers for winning their heat. Every time a CSA Swimmer wins, the bucket gets passed around. Jay and Monique each put \$.25 in, and the winner takes it over to the team parents for more donations. The money raised will go towards a team pizza party when we reach \$100.00. So why is it called "The Sarks Bucket"? The first meet that we did it, a seven year old named Kaitlyn asked to decorate the Bucket. As she did (in permanent marker) she misspelled "Sharks". It's been the Sarks Bucket ever since.
