

3/16/2010

Hi Everyone,

Here are the Brighton entries - 22 going, should be fun. Goal-score more points that the host team (Brighton). Please double check the attachment to make sure your entries are correct.

Now that Daylight savings is here, something to consider. Those in the rec pool are getting blinded by the sun during practice. Tinted goggles really help (especially since we will be swimming outdoors at meets and some practices this summer). We will have some available on deck from MI Sports.

Swim 2 the Sea fundraiser - We have already earned \$378.00 (\$250 - \$499 Platte River - Julesberg Start - Distance 2 Sea - 1350 miles). If you do not want to create your own account online, have people donate into the Jay Weerman account. Thank you to those participating. We are trying to make this as easy for you as possible, as well as making it fun for the swimmers.

Swim 2 the Sea website - <http://www.active.com/donate/s2s>

Thanks all.
